Remote climate control	—	—	—	—	●
Charging status notifications	—	—	—	●	●

Personalisation

Front bumper stickers	●	●	●	●	●
Door stickers	●	●	●	●	●

● Standard — Not available

Wheel covers, a luggage compartment cover and a European standard double-head charging cable are available as optional accessories.

LFP: lithium iron phosphate. PMSM: permanent magnet synchronous motor. RWD: rear-wheel drive. WMTC: World-wide Motorcycle Test Cycle.

Range and charging times depend on driving style, environmental conditions, battery condition and other factors. All figures are for reference only. LINKTOUR reserves the right to adjust specifications within the legal framework; the final specification is that of the vehicle as sold.

As of October 2026
